Dear Jeff,

I am writing to thank you for your hard work on the Foreign Service Programme so far this year and to share with you the very positive feedback we have received from students attending your tutorials in International Politics.

In a survey conducted at the end of Michaelmas term, students were asked to rate tutorials according to the following rating scale: 1 – Unsatisfactory; 2 – Inadequate; 3 – Adequate; 4 – Good; 5 – Excellent.

The mean average response to the question 'how valuable do you find the content [of IP tutorials]' was 4.63, while the delivery of your tutorials had an average rating of 4.7. Of the 24 students surveyed, 19 responded to the first question and 18 to the second.

The feedback is a testament to the students' appreciation of your efforts and I too am grateful for your contribution to the Programme.
